Accreditations Geneva

Academic Year 23-24

Professional Accreditations

EU Business School programs are accredited by the Accreditation Council for Business Schools and Programs (**ACBSP**) and the International Accreditation Council for Business Education (**IACBE**). Both of these accrediting bodies are recognized by the Council for Higher Education Accreditation (**CHEA**), one of the main US higher education agencies. Our institution has also earned the International Quality Accreditation (**IQA**) from the Central and East European Management Development Association (**CEEMAN**). Additionally, we have been certified by **eduQua** in Switzerland.

To ensure that accreditations truly reflect an educational institution's status and academic standards, quality reports must be submitted annually and biennially to these accrediting bodies. EU Business School duly submits these reports and is in full compliance with their requirements. The most recent reports are available to you on our website in the Accreditations section.

Validating & Accrediting Partners

EU Business School has partnerships with institutions to offer university degrees to its students. On our Barcelona campus, our partners are:

The **Universidad Católica San Antonio de Murcia (UCAM)** is an officially recognized university in Spain. It is inscribed in the Registro Universitario de Centros y Títulos (Register of University Centers and Qualifications, RUCT) with the code 066, and is legally authorized to accredit higher education qualifications according to Organic Law 6/2001, 21st December, which pertains to universities. UCAM is accredited by the Agencia Nacional de Evaluación de la Calidad y Acreditación (ANECA). It was awarded a four-star rating overall by QS Stars and was ranked the 34th university in Spain by the Times Higher Education World University Rankings 2023.

The **University of Derby (UoD)** is a public university recognized by the U.K. government's higher education authorities. It is audited by the Quality Assurance Agency (QAA), the official quality assurance body for the Office of Students (OfS), the regulator for higher education in England. UoD was recognized for its world-leading research in the Research Excellence Framework 2021 (REF 2021) and was ranked within the top 50 universities overall in the U.K by the Guardian University Guide 2023.

London Metropolitan University (London Met) has been providing education to individuals from all backgrounds since 1848. Its six academic schools teach cutting-edge, relevant courses in arts, sciences, computing, business, law and humanities. Hitachi Capital Invoice Finance named London Met the sixth best university in the U.K. for budding CEOs and Managing Directors, and the 10th best university in the country for entrepreneurs, in large part due to Accelerator, London Met's specialist business incubator.
