

A Year in Review

EU Business School enjoyed a year of innovation, transformation and growth in 2022. From joining OMNES, the French leader in private higher education, to the implementation of our fantastic Business Immersion Weeks, we expanded our international reach and brought business to life in exciting new ways for our extraordinary students. We look forward to seeing what our amazing community will achieve in 2023, when we will celebrate our 50th anniversary.

EU Becomes part of OMNES Education Group

We joined forces with the OMNES Education Group, the leader in French private higher education, to offer our students further academic and international opportunities and to benefit from the international synergies and know-how.
