Student Support

Studying abroad is an exciting, life-changing opportunity, but we know that it can also bring some challenges. Our staff is here to provide you with the practical support you need throughout your EU journey from the moment you apply to your graduation and beyond.

Before You Arrive

APPLY FOR A VISA

Before coming to Munich, you should contact your country's German embassy or consulate to find out the most up-to-date visa requirements for studying in Germany that apply to your country of origin. The process from application to acceptance could take up to three months, so we recommend applying as soon as you receive your final acceptance documents. Our dedicated support team is here to help you during this process.

FIND ACCOMMODATION

We know that finding a comfortable and welcoming living environment is important, and our team will provide support. Begin your search while you are waiting for your final enrolment documents as there is high demand.

If you prefer the structured living environment of a student dorm, EU Munich has secured a limited number of placements in private dorms. Contact our team immediately after enrolment to apply for a place. If you prefer to live in an apartment, note that apartments in Munich are usually rented through an agency or via websites such as [immobilienscout24.de](https://www.immobilienscout24.de), [immowelt.de](https://www.immowelt.de), [immonet.de](https://www.immonet.de), [wohnungsmarkt24.de](https://www.wohnungsmarkt24.de), among many others. Shared flats are usually referred to as WG, which stands for Wohngemeinschaft, in listings.

There are a number of websites that provide opportunities to rent a room in a WG, including [wg-gesucht.de](https://www.wg-gesucht.de), [studenten-wg.de](https://www.studenten-wg.de) and [studenten-wohnungen.de](https://www.studenten-wohnungen.de).

After You Arrive

REGISTERING YOUR ADDRESS IN MUNICH

Within two weeks of arrival in Munich, and every time you change your location in the city, you must register your address at the KVR – Kreisverwaltungsreferat (Regional Administration Office). There is a fine for not registering or re-registering on time.

MANDATORY HEALTH INSURANCE

Students (except EU citizens) are required to have German health insurance from the first day of class. Our team can help you with this process.

GETTING YOUR RESIDENCE PERMIT

Note that the student visa issued in your home country is temporary and only valid for three months, within which you will be required to obtain a residence permit (not applicable to citizens of the EU/EEA/EFTA countries). *Aufenthaltstitel*, as it is called in German, is issued for between one and two years and, as a permit, is bound to your studies. We will advise you on the documentation required and how to fill in the forms.

ORIENTATION

We will help you integrate smoothly into your new campus city. You will meet and connect with staff, faculty and your fellow students at Orientation, when you will find out everything you need to know about your studies and student life at EU Munich.

"OUR PRIORITY IS TO HELP AND SUPPORT OUR STUDENTS THROUGHOUT THEIR JOURNEY AT EU. AND WE ENCOURAGE A WARM, FAMILY ATMOSPHERE ON OUR CAMPUS."
