Student Support

Studying abroad is an exciting, life-changing opportunity, but we know that it can also bring some challenges. Our staff is here to provide you with the practical support you need throughout your EU journey from the moment you apply to your graduation and beyond.

Before You Arrive

APPLY FOR A VISA

Contact your country's Spanish embassy or consulate to find out the most up-to-date visa requirements for studying in Spain that apply to your country. You should allow at least three months for your request to be processed because visas must be issued in your home country. Our dedicated admissions team will support you during this process and you can find more information about visa applications on our website at info.euruni.edu/visa-barcelona.

FIND ACCOMMODATION

We know that finding a comfortable and welcoming living environment is important, and our team will provide support. Begin your search while you are waiting for your final enrolment documents as there is high demand.

If you prefer the structured living environment of a student dorm, EU Barcelona has partnerships with several student residences located across the city. Contact our team immediately after enrolment to apply for a place. If you prefer to live in an apartment, note that apartments in Barcelona are usually rented through an agency or via websites such as idealista.com or enalquiler.com, among many others. You can also check sites such as badi.com which offer rooms in shared apartments.

After You Arrive

When you arrive in Barcelona, you will be supported by our student services office on campus, who will offer you practical help with essential paperwork. We will advise you on how to fill out the forms and inform you about the documentation you need to make the process as smooth and easy as possible.

GETTING YOUR TIE OR NIE

Once registered, EU citizens should apply for the NIE (*Número de Identidad de Extranjero*, a tax registration number) and non-European Union citizens should apply for the TIE (*Tarjeta de Identidad de Extranjero*). The friendly staff in our student services will explain exactly which documents you need and how to apply.

ORIENTATION

We will help you integrate smoothly into your new campus city. You will meet and connect with staff, faculty and your fellow students at Orientation, when you will find out everything you need to know about your studies and student life at EU Barcelona. You'll get to know your new classmates at welcome drinks and other events and explore your new campus city on a fun walking tour!
